STUDENT ACCIDENT & HEALTH INSURANCE

Dear Parent/Legal Guardian:

The safety of our students is one of our most important concerns. Even so, accidents do happen and resulting medical treatment (ambulance transport, surgery, hospitalization, etc.) can be very expensive.

Please know that the District does not assume responsibility for these costs. However, as a service to you and your child, your school has joined with 1,000s of others by offering you access to a low cost, voluntary purchase student accident/health insurance program. The program is arranged and administered by Myers-Stevens & Toohey & Co., Inc. a firm that has specialized in such coverages for 40 years. Details and an enrollment form are in the accompanying brochure. Please read it carefully.

Several plans are offered and rates for the entire school year start at around \$22 (Dental Accident Plan). You can limit coverage to school related injuries only (including sports) or opt for 24/7 protection. Also offered is a Student Accident & Sickness Plan (recommended if your child has no other health insurance) and a pharmacy discount program for your entire family. Whether your child currently has no other coverage or you want to "fill in the gaps" in other insurance, you will probably find an option to fit your needs.

While you can seek care from any doctor or hospital, you'll also have access to an extensive network of medical providers with discounted charges. Seeking care through contracted providers may further reduce your out-of-pocket costs, particularly if your child needs surgery or hospitalization.

To enroll, complete the enrollment form in full, select the plan(s) you want for your child, enclose the proper premium using a check, money order or credit card, seal and return as directed on the form. While your child is eligible to enroll at any time, you are encouraged to consider early enrollment to get maximum value from the plan(s) selected.

Note - Once processing is completed, an ID card verifying coverage will be mailed home to you. Because many parents have expressed interest in much higher limits of coverage for their children, at that time you'll also be sent information regarding a newly available Supplemental Catastrophic Injury Plan that can cover up to \$500,000/injury for up to five years.

If you have any questions, please call Myers-Stevens & Toohey at (800) 827-4695. Bilingual representatives are available for parents who need assistance in Spanish.

In order to document your having been notified of this matter, please sign and complete the bottom of this form and immediately send it back to the school with your child.

Sincerely,
Dan Jokinen, Purchasing Department, San Ramon Valley Unified School District

As parent/guardian of _____, I understand that the School does not assume responsibility for student injuries but does make voluntary purchase, student accident insurance available. I have received the information on this program.

SRVUSD STUDENT ACTIVITY/TRIP CODE OF CONDUCT AGREEMENT GRADE: _____
2013-2014 San Ramon Valley High School

The success of school sponsored activities depends upon the conduct of all student who participate. Participation in a school activity is a privilege. It should be noted that attendance is voluntary, not mandatory, and, as such, the student agrees to abide by the rules and regulations or forfeit his/her privilege to participate in the trip. In order that everyone receives maximum benefit from their participation in this activity, the "Student Code of Conduct" must be adhered to at all times. There are standards for behavior that students are expected to uphold at all times. These include:

STUDENT INITIALS

- Respecting public and private property.
- Obeying all policies of the SRVUSD, school and organization in effect for the duration of the activity.
- Conducting oneself in a courteous and respectful manner at all times.
- Following directions and instructions of chaperones without fail.
- Refraining from bringing, consuming, or being in the presence of drugs, alcohol or tobacco. Understanding that choosing to bring, consume, or be in the presence of others who are consuming will lead to suspension and/or expulsion, as well as immediate termination of the activity privilege. Consequences will be applied regardless of whether the student has brought or consumed alcohol, tobacco or drugs, or has associated with, or is in the presence of others who are consuming drugs, alcohol or tobacco. **A Breathalyzer may be used at the discretion of the administration.**
- Adhering to the school dress code. NOTE: Students or guests will not be admitted if their attire is deemed revealing or inappropriate. The administrator in charge will determine what is appropriate. Attire that is too revealing in the front or back or exposes the midriff or sides is not appropriate. Dance dresses can be shown to administrators ahead of time if there are concerns.
- There are no refunds once a ticket for a dance or school activity is purchased.
- For all school dances, doors will be closed at 9:00 pm. (Students may be admitted after 9:00 pm with **prior** permission of the administrator in charge.
- There are no "in and out" privileges at dances. Once a student exits the dance, he/she will not be readmitted.
- For all school dances, students and guests must dance in a safe and appropriate manner. **Demearing or sexually explicit dancing, groping, fondling, bending over, lap dancing, floor break dancing, freak dancing and moshing are not acceptable and may result in the student being asked to leave or further disciplinary action.**
- Guests are only permitted at Prom and Ball, and only given the parameters below:
 - Guests must be accompanied by a SRVHS student.
 - SRVHS students and guests must show a current school I.D. card.**
 - SRV guests must have a **pre-approved guest pass** from the administration.
 - Only high school students will be admitted to Prom. Only students under 20 will be admitted to Ball.
 - Guests must obey all school rules.

I understand the behavior expectations and the consequences of violating the Student Code of Conduct. I have read this code and agree to comply with all of the rules and regulations as outlined by the staff supervisor.

The District does not cover, nor is it liable for, comprehensive and collision coverage to your vehicle.

Classroom / Department Donations

Dear Parents,

We are changing the way in which Departments collect donations to support their programs. Traditionally, teachers have sent home letters during the first couple of weeks of school suggesting donations for their classes. This process is now going to be part of online registration.

Under the section Department Donations in the WebStore, you will be able to help support our different academic departments. Our departments do not receive any funding for materials, consumables or equipment, so any amount that you can donate helps to improve the quality of education that your student will receive at SRVHS. Thank you for your continuing support of our programs – we could not do it without you!

Science: \$50

This donation helps to pay for chemicals, biological specimens, consumables, and repair, replacement of and upgrades for equipment (microscopes, probe-ware etc). Our science programs are growing and with many students now taking two science classes, and our number of science sections increasing significantly this year we need your support in order to continue offering lab based learning opportunities for our students. These donations will support ALL of our science programs including biology, chemistry, physics, life science, integrated physical science, anatomy and physiology, marine biology, AP environmental science. Any size of donation is welcomed.

Technical Education:

Culinary Arts - \$150
Auto - \$50
Robotics - \$100
Engineering - \$50

These programs are electives that offer our students a real-life opportunity to learn about technical, hands-on careers. Donations are crucial to the maintenance of the equipment used in these programs and the provision of consumables that are used in the foods programs. Any size of donation is welcomed.

Visual Arts:

Photography - \$100
Art - \$50
AP Art - \$75
3D Art - \$100

The visual arts require extensive classroom supplies in both photography and art. The donations to this program cover photographic paper, developing materials and other supplies for the photography classes. For the art classes they will cover a range of items including paper, canvas, pencils, pens, paint, paint-brushes, clay, wire, clay glazes, stenciling materials, exacto knives, paint palettes, 3D art materials and other resources.

Additional Classroom Supplies Donation: \$10

If you would like to help support classrooms across campus in other curriculum areas such as English, Social Studies, Math, World Language, or Special Education then any amount is appreciated. Teachers always need items like posters, extra paper, notebooks, pens and pencils, markers, glue, rulers, and paperclips in their classrooms. This donation helps to ensure that we can provide classroom supplies and materials when students and teachers need them.

Thank you for your support,

Ruth Steele

21st Century LEARNING FOUNDATION

“Tell me and I forget,
teach me and I remember,
involve me and I learn.”
Benjamin Franklin

The 21st Century Learning Foundation is dedicated to fulfilling the technology needs of SRVHS in order to enhance the learning environment for all students and staff.

SRVHS has a significant need in the area of technology. We are responsible as a school site for determining our priorities and our direction, and this is an area that requires attention as we prepare our students to be 21st Century Learners. The school district provides funding for technological infrastructure at SRVHS. This includes any wiring, wireless capability, and the servers that we use for the entire network. The district provides everything up to the walls of the classroom. Everything within the classroom walls is the responsibility of the school site to provide.

What will the Foundation be funding?

- Technology upkeep and repairs
- Software Licenses
- New computers
- New devices such as document cameras, tablets, laptops, LCD projectors.
- Professional Development opportunities for teachers

What has the Foundation already funded?

- Replacement of every single computer on the SRVHS campus.
 - A 4 year lease for 350 computers has been put in place. This allows us to replace every computer on campus and add a new computer lab.

Why should I donate to the 21st Century Learning Foundation?

We need this funding in order to maintain our existing classroom technology by replacing computers and printers, purchasing printer ink cartridges, replacing LCD projector bulbs, and buying cables, adapters and dongles for new technology integration. All this is in addition to buying/adding/updating technology that will further enhance our students learning experiences in the classroom. The only way we can achieve this vision is with your support.

Technology is rapidly evolving and becoming an increasingly important part of our world whether in education or the work place. The classroom is where we should be helping our students to become Tech savvy learners and problem solvers and we want them to have access to those opportunities from 1st to 12th grade so that they graduate with all the skills that they need to be successful and independent learners.

In order to meet the school's technology goals, we recommend a \$50 donation per student.

PTA Special Needs Committee

Who We Are

The PTA Special Needs Committee fosters collaboration among parents, teachers, schools, and the community to support children with special needs. Many schools have a Special Needs Committee Representative on their local PTA who represents the school on our council committee, provides information back to the school, and may plan programs or get-acquainted gatherings for the school site.

What We Do

- Provide information and support to parents and staff so they can help children with special needs succeed.
- Help ALL children and adults understand and appreciate challenges faced by children with special needs.
- Work legislatively to secure and retain adequate laws and funding for children with special needs.

As part of our educational outreach, we are planning a valuable array of programs to provide support for parents and educators of children with special needs for the 2012-13 school year, including:

- ❖ **Evening Programs:** Several evening programs will be offered throughout the year, on various topics related to children and youth with special needs.
- ❖ **Annual Parenting Conference:** We will arrange a variety of breakout sessions for the annual Parenting Conference in late February/early March of 2013. Please look for conference information later in the fall.
- ❖ **Ability Awareness:** We will provide and support ability awareness workshops and simulations to students, parents and staff.

Join our e-mail Distribution List

We e-mail information about our upcoming programs, as well as other local programs of interest to the community, through the SRV Council Special Needs Constant Contact list. Please go to www.srvapta-ca.schoolloop.com and click on the Join Email List button to receive the monthly council newsletter which always includes a Special Needs article. Also, during school registration, please select "Special Needs" on your interest form and you will receive information about campus events throughout the year. The Special Needs Committee also maintains a web site. Go to www.srvapta-ca.schoolloop.com/specialneeds. Our site includes information about our events as well as events and resources from other organizations dedicated to special needs issues in our community. To receive the quarterly Special Needs newsletter, please click on the Join Email List on this webpage.

If you would like information on special needs events at your school, please fill out the form below and return it at registration. It will be shared with your school's PTA Special Needs Representative.

35th ANNUAL SRVHS SKI & SNOWBOARD SWAP

November 2nd and 3rd, 2013

Saturday and Sunday

San Ramon Valley High School

10:00 am to 4:00 pm

What is SRVHS's Ski and Snowboard Swap all about?

Once a year, on the first weekend November, the San Ramon Valley High School PTSA hosts a ski and snowboard swap where anyone can consign their used clothing and equipment for very little cost and/or buy new or used equipment at lower prices. San Ramon Valley High School started a Ski Swap 35 years ago *in a garage*, and it has grown to one of the largest Ski and Snowboard Swaps in Northern California. Pretty impressive! But the best part is ... all the proceeds *go directly back to San Ramon Valley High!!* For more

details, check out our website at: www.skiandsnowboardswap-srvhs.com

Or Contact Molly Brazeale phone # 925-998-2901

Support your Instrumental Music Program

At San Ramon Valley High School, we are fortunate to have Cheryl Yee Glass leading our music program. After many years of budget cutbacks, our teacher’s salary is the only portion of the music program funded by the district. Beyond that, each of the Instrumental Music classes is substantially supported by the Wolf-Tones Boosters. Without these donations, this rewarding program would be very limited. The total operating budget for all of these classes is approximately \$50,000. We cannot sustain this wonderful program without your support.
