# 14th Annual SAN RAMON VALLEY SOCCER CAMP

2 weeks this summer  
For boys & girls  
of all skill levels  
Ages 5 – 11

**B**uild your child's soccer playing confidence and ability. The coaches of San Ramon Valley High School have developed a program that emphasizes fun first while learning the game of soccer. Our philosophy maintains that those individuals having fun while playing this sport will excel in the learning process and the application of this learning to actual play. We have collegiate soccer players as staff members as well as highly trained youth coaches. This only adds to the variety which will be exposed to your future soccer star. A very balanced approach to the game will be shared along with the proper nutrition and training regimen necessary to play soccer effectively. We will also teach these skills as necessary skills in life while your child has fun working with kids his/her own age.
